

MINUTES OF MEETING JULY 1, 2008

Our meeting was held at Captain's Galley on Cherry Rd. those present were:

Jim Hill

Mickey & Elizabeth Lawson

Mike & Nancy Donaldson

Linda Sullivan

Shakey & Jo Steele

Marty Given

Meeting started about 7:00 p.m. after we all got done feeding our faces.

We have some people close to us that are under the weather, Glenda Crafts mother is in the hospital, Sandra Ludlum is not feeling well and Jo is still not 100% yet, please keep them in your prayers. If you know of someone that's not up to par let one of our officers know.

Mickey is going to work on a card that we can all sign and send out to cheer up the one's that aren't feelin' so great.

The lady that's in charge of the shopping area @ Captains Galley is wanting to wait until September and October to have 2 to 3 car shows, with us doing the registration and 50-50. We get to keep the money for registration and 50-50 and we're looking at her giving us \$1000.00 to put it on.

Mickey and Elizabeth's son n' law (Bill) is trying to work a lot of job's to make ends meet, since his wife lost her job. Bill is our web master and has been doing it for free. Linda made a motion and Jo second it to give him some money for the web service. Motion was carried, Mike made a motion to give him \$200.00 and it was second by Nancy and carried.

We talked about getting a letter written to ask venders for donations to our next car show in April. The letters need to be out by the first month of the 4th quarter of this year. Jim and Marty are working on getting something together.

We also discussed the thought about letting all years (like the tuners) in our show; we thought that would bring in more money. It was something that we could all think about and discuss at our next meeting.

We would like to get two cruise's going with the club, one to Victory Junction, which would be a day cruise and the other to Savannah to meet up with the other Dixieland Cruisers and that would probably be an over niter.

The Van Wyck Car Show is coming up September 6, and we need a lot of help again this year. We had some pictures of what the shirt will have on it and our flyers. We hope to have some flyers to pass out in about a week. John Larkin is helping again on the design of the shirts, dash plaques and flyers and he's doing an outstanding job. We need everyone to gather up goody bag stuff and door prizes.

Mickey listed a lot of up coming shows and he's going to send the list to Jim and he'll send it out on the email. If you don't have email get in touch with Jim and have him snail mail you a list. 803/417-4990

Our next Meeting August 5th 6:00 p.m. to eat and 7:00 to meet at Captain's Galley

*****Be there or be put in charge of a committee.....

*****Don't forget our cruise-ins at Bucko's every Thursday night.....
