Thank you all for coming out and enjoying a nice meal and great fellowship. We'd also like to welcome our new members Richard & Janna Burke, David & Angie Eagle David Plexico, Mike & April Angley, and Gerry & Mickey Amport witch all joined at our show and Bill & Teresa Deaton brought in by Jim Hill.

Our meeting started 7:00 P.M., Mickey thanked and welcomed everyone for coming out to the meeting and gave our opening prayer (thanks Mickey).

Let's keep Julie in our thoughts and prayer's on her Dad's recent passing.

We also have some friends and members that are having some health problems, please keep them in your prayers; they are Gary with Independent Technology with having a stint put in. Frank Wolfe had a heart attack and is having test run, Cindy, Nancy and Ron all having trouble with knees.

Jim Bratton thanked the club for the cards in the loss of Nancy's brother.

Mickey read the minutes from our April meeting. We had a few changes of Children's obesity was the group at Victory Junction and we bought 2 bricks for a total of \$200.00.

Shakey made a motion to except the minutes with the two changes and seconded by Phil and approved by all.

Mickey read a Thank you from Annette Drake for the flowers and being good friends. She's asked Mickey's gospel group to sing at her church on the 31st. She's sent in a petition of over 2000 names for the S.E. Division Director of NSRA, which was her husband Will's position.

Nancy gave the treasures report with our balance and what we've taken in from the car show and what our expenses were. If you want to know come to the meetings.....

Jim talked about what a nice turn out we had at our show with 140 cars registered. At 1:00 Mickey made an announcement that all cars needed to register or would be asked to leave. Four came up and registered and three left. Shakey said they were B--- Heads and should have left anyway. **With such a great show we were able to grant a little boy his wish and that's what it's all about.** We are going to send a thank you out to all the sponsors and judges. The NSRA judges did a great job and inspected 53 cars.

We are looking into making another donation soon to a deserving organization. We'll have more info on it at our next meeting.

Mickey checked on our taxes for the club and found out that we need to be filing some kind of form, so he's going to take care of it so Jim and Nancy won't have to share a cell together.....

Mickey brought up the idea of having some business cards made with an application printed on the back. Bill made a motion to have it done seconded by Jo and carried.

We're still planning on taking a trip to the Zoo or Savannah, but will probably wait till the fall.

Johnson is going to talk to Cotton about maybe purchasing the trailer, so we would have it for our shows. It needs some work done to it. (Hydraulics)

We had a drawing for attendance and Howard walked away with \$25.00. (Lynn you should have been here:) We also had a drawing and gave away 3 T shirts to Phil, Linda and Connor

Mickey reminded everyone about his show and fish fry on May 9th. He's gonna have good fish and give away lots of money, so you won't want to miss this one.

Also remember our Cruise-ins every Thursday nite at Hooters.

We sang Happy Birthday to Ann.

Buddy gave a closing prayer and the meeting was adjourned about 8:00. Thanks Buddy.

Thanks to Mickey for a great meeting....Well done
